

MARCH 2026

**THE FRIENDS OF HURSTBOURNE
TARRANT PRIMARY SCHOOL**

END OF TERM NEWSLETTER

This term's fundraising has included a fun school disco and a sponsored read-a-thon to celebrate the National Year of Reading. Well done to all of the children throughout the school who participated in the read-a-thon so enthusiastically. We loved hearing about all the books you chose to read that week! A productive volunteer day took place in February. A small team of parents worked very hard to tidy up Syd's garden and cut the huge hedge, and several children took on litter picking around the school grounds. With support from the Friends, the Parish Council successfully applied for a grant from TVBC for a community orchard and board games benches. Pupils planted the trees and are enjoying using the benches at breaktime.

SOME OF THIS TERM'S SPENDING

Dictionaries and thesauruses
Listen2me music classes for all pupils
Trunk theatre shows for History Day
